COMPANY INFORMATION

Metalore Resources Limited is a mining exploration company. It is engaged in natural gas production and gold exploration in Ontario. It owns and/or controls over 40,000 acres of petroleum, natural gas and mineral leases in Charlotteville and Walsingham townships in Norfolk County, Ontario. The natural gas is produced from 83 wells in two townships in Norfolk County, Ontario and is distributed to 150 commercial and residential customers along gathering pipelines via a cooperative agreement with Enbridge Gas
